We will be preparing our food to take away for this Friday & Saturday: 7th & 8th August. Our food will be available to pre-order from today until **10:30am** Thursday. Collection times will be from 6pm to 7pm on Friday and Saturday evenings.

You will be required to pay over the phone by card.

You will collect your food from the window at The Swan - the pub must remain closed. We ask that you wait in your cars or at a safe distance from other people and that you collect one by one from the table in front of the window. The window is open halfway and acts as a barrier against transmission. We know it is always tempting to pop your head under an opened window for social contact - in this difficult time please avoid doing this. Your food will be placed on the table in front of the window in a single use recyclable paper bag - you can also recycle the portion pots. We recommend you bring a sturdy carrier bag in which to put your food.
